Surface-Mounted Bollards · Surface-Mounted Steel Bollards

Bollard Ø114mm Bolt-Down

This bolt-down steel bollard protects corners, doorways, machinery and installations against impact and marks points where forklifts and vehicles risk getting too close.

KEY FACTS

Material	Steel
Color	Yellow
RAL & DB color	RAL 1003
Finish	Painted
Item no.	2533033003
Weight	9.5 kg

- Point protection for corners, doorways and exposed installations
- Marks and blocks off points where forklifts and vehicles risk getting too close
- Painted yellow for clear marking and good visibility
- Fixed mounting – bolted to the floor via a base plate with slotted holes
- Suitable for both indoor and outdoor use

DESCRIPTION

It is used in warehouses and distribution centres, in manufacturing and workshops, and at freight terminals and loading bays. The yellow paint finish makes the bollard highly visible in warehouses, production areas and loading zones.

SUITABLE FOR THESE ENVIRONMENTS

- Warehousing & distribution
- Manufacturing & workshop
- Freight terminals & loading bays

FEATURES

- Other colours available for orders of more than 50 units

TECHNICAL DATA

Mounting Hardware	Anchored	Applications	Outdoor and indoor
Height	915 mm	Diameter	114 mm
Shape	Round	Floor Plate Dimensions	203 x 203 mm
Hole spacing (c/c)	150 mm		

MOUNTING AND FIXING

The bollard is anchored by bolting the base plate to the concrete floor. The plate has slotted holes with a hole spacing (c/c) of 150 mm. The bollard can be installed both indoors and outdoors.

MATERIAL AND DURABILITY

The bollard consists of a steel tube welded to a steel base plate. The surface is painted yellow (RAL 1003), providing clear marking in areas with forklift and vehicle traffic.

FREQUENTLY ASKED QUESTIONS

How is the bollard mounted?
It is bolted to the concrete floor via a 203 × 203 mm base plate with slotted holes and a hole spacing (c/c) of 150 mm.

Can I get the bollard in a colour other than yellow?
Yes, other colours can be ordered for orders of more than 50 units. The standard colour is yellow, RAL 1003.

Can the bollard be used outdoors?
Yes. The bollard is designed for both indoor and outdoor use.
